**Re: In re Bayer Corp. Combination Aspirin Litigation, Case No. 09-MD-2023
(E.D.N.Y.)**

Dear Judge Cogan:

Pursuant to this Court's Individual Practices, Section I.E., Bayer writes to request an agreed upon extension of time for two deadlines: a one-week extension of the deadline to file Bayer's opposition to class certification and a ten-day extension for Plaintiffs to file their reply brief. The original deadlines for those filings were May 31 and June 14, respectively. Bayer requests a one-week extension of its deadline to June 7 and a 10-day extension of Plaintiffs' deadline to June 24.

Bayer has previously requested one extension of time to respond to Plaintiffs' class certification brief. The Court granted that request on February 24, 2011. (*See* Dkt. No. 118). Bayer does not believe that these extensions will impact any other schedules related to this litigation.

Bayer thanks the Court for its time and consideration.

Respectfully Submitted,

Date: May 18, 2011
